Re: D. R. Blazey's Letter of 3/22/85 - Duane Marine Salvage Corp.

Dear Ms. Thompson:

The purpose of this letter is to confirm our phone discussion of this morning in which I described the 12/30/83 sale of the Inland Steel Container Co. to Van Leer Containers, Inc. which led to Van Leer Containers receiving the subject letter but Inland Steel Container being named a generator respondent in the accompanying 3/22/85 Administrative Order. Please see enclosed letters from Van Leer and Inland dated December 1984 in response to USEPA's 11/26/84 Request For Information.

Now that we understand that the period of time for waste accumulation at the Perth Amboy facility preceded the sale to Van Leer, Inland Steel Co. will attend the 4/3/85 conference for Inland Steel Container and make the required further responses. As the keeper of the records for the period in question Van Leer Containers will provide whatever help is possible in that regard.

Sincerely,

H. T. Perrin
